SUB:- TRAINING LETTER FOR B.TECH/MBA

Dear Sir/Madam,

Delhi Technological University (DTU), with the brand image of DCE and its glorious past, is poised to create new horizons in the arena of technical education and research in the country. The institute is well known in and outside India and has earned itself a place of pride amongst the TOP-TEN ENGINEERING INSTITUTIONS of the country. Its Alumni have served almost all sectors of Engineering, business, industry, the corporate world, academia, defence services and civil services, with high dedication and result oriented performance. DTU work towards fostering values amongst young individuals to make them an exemplary engineer imbued with the idea of productive, innovative and independent thinking. DTU enjoys a cordial and professional relationship with your esteemed organization by way of mutually beneficial professional contributions. From the very beginning, DCE, now DTU lays greater emphasis on in situ industrial training and research work. Practical Training for B.Tech/MBA students is an integral part of the curriculum and is in-built into the programs of study. Accordingly, the students have to undergo the following training programs:

- 4 weeks (First Week of December to First Week of January) during Winter Vacations, for all branches of engineering.
- 8 weeks (First week of June to Last Week of July) during Summer Vacations, all branches of engineering and after second semester of MBA.

In continuation with this tradition, DTU has enjoyed the privilege of having its budding engineers trained by your esteemed organization.

We, therefore, request your patronage for providing Summer/Winter training for following student of this University.
